

Bellevue Recovery And Support Services

Become a B.R.A.S.S. Volunteer!

Bellevue Recovery And Support Services is looking for enthusiastic people who want to give back to our local community. You do not have to have a direct connection to substance use to volunteer for B.R.A.S.S, just a desire to help others.

Perhaps you would like to assist us in our office? Or provide support at special events or fundraisers? Maybe you have a special skill, project or workshop topic you would like to present? We are open to ideas on how you can help here at B.R.A.S.S.!

To become a B.R.A.S.S. Volunteer, follow these steps:

1. **Complete the Volunteer Questionnaire:** This form can be found on the **Contact** page of our website (bellevuerecovery.org) under “Volunteer Form” or by contacting the B.R.A.S.S. office and requesting a paper version of the form.
2. **Attend an orientation:** Once we receive your volunteer questionnaire, B.R.A.S.S. will contact you about attending an orientation where you will learn more about the organization, volunteer opportunities and complete required forms.
3. **Get an FBI/BCI background check:** Background checks are required by B.R.A.S.S. policy for all volunteers. Depending on your residency history, you may be asked to complete one or both of the required checks.
PLEASE NOTE: A conviction on your background check does not necessarily prevent you from volunteering with B.R.A.S.S. for certain activities.

Once you have completed the steps above and B.R.A.S.S. has received the results of your background check, you will be notified of your status as a volunteer.

If you have any questions about volunteering for B.R.A.S.S., please contact us:
